

# Association For Students and PostDocs

## Current Activities

Imran Younus, President ASAP

- CrossTalk

- A series of spotlight tours of different research facilities at BNL. (Includes seminars mainly by Postdocs about their research.)
- First event, at Chemistry dept., happening today!!

- Pool Tournament

- First tournament held May 2004, 11 participants
- Second Tournament starts this month, 9 participants registered so far.

- Social Gatherings

- Movie nights every Thursday.
- Parties, BBQs as per (short) budget!!

## Issues

- Location, Location, Location
  - ASAP lounge in the middle of nowhere.
  - Not accessible for people without cars..
- Money, Money, Money
  - Budget not enough for activities, improvement, maintenance of the lounge.
